Description

A really very nice example of this popular clock with hand painted dial
The opalescence is nice and strong and the detail crisp
Moulded mark - R lalique
Marcilhac page ref 377
Model number 765
Introduced 1926
The condition is very good with no damage or faults
I suspect the hands have been replaced a some point
The clock runs and appears to be keeping good time.
although no guarantees can be give for the time keeping of the movement.
