Description

Straight footed Steuben Aurene iridescent glass perfume bottle
American C1920
The condition is very good, there is a small shallow scratch to the surface of the stopper. Around the top of the rim of the bottle there are a few areas that are rough to touch, these have occurred during the manufacturing process

Engraved to the base Aurene 4141

Aurene was developed by Frederick Carder (1863-1963) at Steuben Glass Works in Corning, New York, in 1904.
